

The secret desire of every woman is to be more beautiful both inside and out, and yet we can't seem to find the magic formula. We are bombarded with solutions, but nothing seems to satiate our longing for value and significance. The fact is that you and I are beautiful because we are created in the image of God; who is the essence of beauty. It's all right there inside of us; we just need to allow God to reveal it to us and unleash it.

I love this book! Truthful and candid, alive with stories and humour, *Beauty Unleashed* is rich in guiding principles that if applied would create a woman of radiant beauty. I have not met a woman who could not benefit from this book. Heidi McLaughlin has written a winner!

– Margaret Gibb, President, Women Alive

Beauty Unleashed is an outstanding book for every woman who longs to live with purpose, passion, and godly influence. Each chapter guides the reader to consider her relationships with God, family, and friends as she makes choices to develop every aspect of her life.

– Carol Kent, Speaker and author of *A New Kind of Normal*

As chockfull of ready-to-use godly wisdom as Rick Warren's *Purpose Driven Life*, this book should be nibbled slowly to get the most from its rich helping of soul-nourishment. But let me warn you, you won't be able to put it down. You'll gobble it up in one sleepless night and then go back and start all over. Prepare to be transformed!

– Connie Cavanaugh, international speaker and author of *From Faking it to Finding Grace: Discovering God Again when your Faith Runs Dry*
